

PRODUCT FICHE

Air-To-Water Split Type Heat Pump

IMPORTANT NOTE:

Thank you very much for purchasing our product,
Before using your unit , please read this manual carefully and keep it for future reference.

Model		For medium - temperature application (55 °C)											
Outdoor unit	Indoor unit	Energy efficiency class	Outdoor Unit sound power	Indoor Unit sound power	average climate			colder climate			warmer climate		
					Rated heat output	Seasonal space heating energy efficiency	For space heating,annual energy consumption	Rated heat output	Seasonal space heating energy efficiency	For space heating,annual energy consumption	Rated heat output	Seasonal space heating energy efficiency	For space heating,annual energy consumption
		-	dB	dB	KW	%	KWh	KW	%	KWh	KW	%	KWh
